12 December 1956

MEMORANDUM FOR: Director of Central Intelligence

THROUGH : Deputy Director of Central Intelligence

SUBJECT : Attached Memorandum for Transmission to General Twining

1. The attached was drafted pursuant to my telephone conversation with the DCI on 11 December. I recommend that something like this be sent to General Twining with a copy to Admiral Burke.

2. As the record now stands, the DCI has made a written request to the Chief of Staff, USAF for facilities in the Far East and the latter has rejected the request in writing. I believe it will clarify the record to transmit a communication which makes clear:

a. That we have respected the wishes of the Air Force that we stay away from [REDACTED]

25X1A

b. That we have considered and rejected the suggestion that Detachment C be held for deployment to [REDACTED]

25X1A

c. That Admiral Burke has indicated that the Navy could provide facilities at Atsugi if the policy decision on the deployment of Detachment C is favorable; and

d. That our request for such facilities is before Admiral Burke.
